REVOLUTIONARY PEOPLE'S FRONT

PRESS RELEASE
PR No.26008 Date: 2026-11-13

On 6 November 2026, the Delhi Police Crime Branch claimed to arrest an individual named RK. Regan from Yusuf Sarai in South Delhi, alleging that he was a member of the People's Liberation Army (PLA). However, this individual had already been arrested by the Delhi Police on 4 October 2026 and subsequently released after no connection whatsoever with the alleged offence could be established.

RK. Regan has absolutely no connection with the Revolutionary People's Front (RPF) or its armed wing, the People's Liberation Army (PLA). This is nothing but a highly deplorable propaganda campaign by the Delhi Police to portray the RPF and its armed wing, the PLA, as organisations engaged in terrorist activities.

By arbitrarily implicating an innocent person, the Delhi Police Crime Branch has demonstrated its utter disregard for human rights and its failure to uphold the principles of justice. The Delhi Police's practice of arresting an individual, branding him a PLA militant and levelling allegations against him without establishing any credible connection with the organisation, while subjecting him to harassment and attempting to discredit the Party through propaganda, is not a new phenomenon. Such practices have long been pursued by India's security agencies. These actions deserve the strongest condemnation from all sections of society.
